Status

Claims 1-19 are pending in this application.

Discussion

RESTRICTION RESPONSE

The Examiner has required restriction in the above-identified application and has divided the claims as follows:

Group I--Claims 1-15, drawn to products of formula I.

Group II—Claims 16-19, drawn to methods for treating.

Applicants have elected Group I, Claims 1-15.

Applicants respectfully request Rejoinder of Group II, Claims 16-19, once allowable subject matter has been found in Group I. Claims 16-19 depend from the product claims.

ELECTION RESPONSE

Applicants have elected the species of Example 60 for examination purposes. Applicants respectfully request that, should the Examiner find the elected species allowable, the search be extended, since Applicants are entitled to consideration of claims to a reasonable number of disclosed species in addition to the elected species as provided for under 37 CFR 1.146.

In view of the foregoing, Applicants submit that the application is now in condition for examination on the merits. Early notification of such action is earnestly solicited. If the Examiner has any questions or believes further discussion will aid examination and advance prosecution of the application, a telephone call to the undersigned is invited.
